Bloomfield Tech Class of 1981

Ms. Emily Bonilla
Vice Principal

To the Class of 2017,

First and foremost, I want to congratulate you all! Its been truly rewarding to get to know all of you in my new role as Vice Principal. As members of our Bloomfield Tech school community, this is an opportunity to reflect on your accomplishments and to prepare for future opportunities that lie ahead. Revel in this moment and take the time to thank all who have been instrumental in helping you achieve this milestone. It goes without saying, don't forget your parents when you are passing along words of appreciation to all who have been influential in your accomplishments. In the words of Harriet Tubman. "Every great dream begins with a dreamer." Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world." So be a dreamer and change the world. My door is always open to you as you embark in this new chapter of your life.

In Loving Memory of

We thought of you with love
today, but that is nothing new

We thought about you
yesterday and days before
that too.

We think of you in silence, we
often speak your name.

Now all we have is memories
and your picture in a frame.

Your memory is our keepsake,
which we'll never part.

God has you in his keeping,
we have you in our hearts.
